

true\_color

```
graph BT; point3_d_true[point3_d_true] -.->|colors| true_color[true_color];
```

A diagram illustrating a relationship between two variables. At the top is a white rectangular box with a black border containing the text 'true\_color'. At the bottom is a gray rectangular box with a black border containing the text 'point3\_d\_true'. A dashed purple arrow points vertically upwards from the 'point3\_d\_true' box to the 'true\_color' box. To the right of the arrow, the word 'colors' is written in black text.
